## Hawkes Bay Scenic Tours Ltd

2 Neeve Place  
Napier. 4112  
New Zealand  
Phone: +64 6 8445693  
Mob: +64 274 979 231

**COVID-19: Please note: Hawkes Bay Scenic Tours continue to operate under levels 2 and 1.**

### Enhanced Safety Procedures.

Health and Safety is the top priority for our guests and staff alike in these unprecedented times. The current COVID-19 situation in New Zealand has resulted in Hawkes Bay Scenic Tours adding additional Health and Safety measures to be put in place for the “Health and Safety of everyone” on the day.

### Additional Health and Safety measures to meet the situation head on:

#### On the day of your tour:

Your guide will be asking you on the day if you are feeling unwell.

Please understand the need for this question. If you are unwell, you will be unable to proceed with the tour. Your guide on the day will have the power to decline you if any (Covid-19) medical signs are present (in their opinion).

#### Your mini coach will carry:

Hand sanitiser, tissues, rubbish bin, Covid-19 tracer QR code for NZ tracer app.

Your mini coach will have been sanitised thoroughly before you commence your tour.

Most of our mini coaches have automatic opening doors for your health and safety.

#### On your tour:

We operate small group tours. You will not be sharing a seat with anyone outside of your group.

All Winery and Ale house stops will be Covid-19 compliant.

Any food and drinks will be bought to you as a couple, rather than sharing a “group” food tray.

We also recommend that you bring your personal face mask.

Let's all try to beat Covid-19 and get our lovely country back to “normal as we knew it”
